Partnering with Today's Entrepreneurs to Create Successful Technology Companies of Tomorrow

Conference-Specific Mobile Application Launched

In preparation for the Securities Industry and Financial Markets Association (SIFMA) 2009 Technology Management Conference, Pyxis Mobile, in partnership with Wall Street & Technology Magazine and RIM, have developed a conference-specific mobile application for Blackberry smartphones. The application offers attendees the most flexible and convenient way to manage and organize their experience at the SIFMA Technology Management Conference and demonstrates some of the power and flexibility available using Pyxis Mobile. For more information, contact sales@pyxismobile.com or visit www.pyxismobile.com

PathView Certified by Avaya

Apparent Networks' PathView network performance management tool was designated "Avaya Compliant," representing a key certification for the recently launched product. PathView was tested with *Aura*, Avaya's key IP communications platform and unified communications architecture. Apparent Networks is also a member of *Avaya DevConnect*, which promotes the development and co-marketing of innovative products that are compatible with Avaya solutions. www.apparentnetworks.com

Focus on Federal Enforcement Drives Need for HighRoads

With the Obama Administration announcing stepped-up enforcement of labor standards, employers both large and small are turning to HighRoads for help with ERISA compliance. Nearly 30 global companies use HighRoads to protect their more than 2-million employees and retirees using our automated, technology-based approach to Summary Plan Description (SPD) analysis, development, and maintenance. www.highroads.com

New Release Adds Advanced Revenue Visibility Capability

Softrax Corporation announced the availability of *Softrax Operations 9.0* and *Softrax Contrax 3.0*. The releases provide new features and improved usability with the specific focus on advanced reporting and analysis capabilities. Together, the new versions add more than 20 new reports that enable better revenue accounting, more accurate and timely billing, and improved business decision-making. www.softrax.com

uTest Takes Home a Stevie

At a reception in Time Square in the heart of Manhattan, uTest won the largest honor in its young history: the American Business Awards presented uTest with a Stevie Award for Top New Company of 2009. The category was full of high-profile finalists including Aster Data Systems, Carpio, Evolve IP, HubSpot, Jivox, Mazooma, and Zuora. More than 2,600 nominations were received and more than 200 executives across the country participated in the judging process. Full details are available [here](#). www.utest.com

Egan-Managed Capital is always looking for great entrepreneurs and investors to partner with so if you know of any information technology companies in the New England area looking for Series A or Series B funding please send them our way.

Sincerely,

The Egan-Managed Capital Team
